Dear Parents,

If you are interested in our aftercare program for the 2019-2020 school year, please specify your needs below. This form must be returned by March 22 and is used for planning purposes only.

This does not guarantee a spot in our program.

Official registration forms will be sent out soon after individual needs are reviewed. Please keep in mind that while we will try our best to accommodate everyone that we can, there is limited space in our aftercare program.

Families with any unpaid balance from the 2018-2019 school year will not be considered.
