

Computer Club: A new club is coming to St. Cecilia Catholic School! Do you like to use strategy to figure out certain computer games? Do you like to work with computer code? Do you like challenges?

Then Computer Club is for you! We will have mini competitions with certain on line activities, use code to develop game programs, and challenge one another to utilize technology in meaningful and purposeful ways.

This club is open to students in grades 3-8 and will be limited to the first 30 students who sign up. We will meet on the fourth Wednesday of each month, accommodating for off school days, from 2:20-3:30 in the Computer Lab. Ms. Kohl will be the teacher moderator.

Oct. 26, Nov. 30, Dec. 21, Jan. 25, Feb. 22, Mar. 22, Apr. 26, May 24.

+++++ Please detach and return bottom portion +++++
