Why St. Cecilia?

- Students develop a strong foundation in their faith
- Test scores are consistently above the national and Diocesan average. The last two years, our grade levels tested in the top 15% of the nation in at least 8 of 10 reading and math areas.
- Highly qualified staff who are dedicated to Catholic education
- Students learn to give back to the community through service learning opportunities
- A variety of extra-curricular activities

Curriculum

Religion – Mass 2 days per week, Eucharistic Adoration, Daily prayer and religion classes
Math – Algebra and pre-algebra for qualifying 7th/8th graders, small math classes in middle school
Science – Lab for 6-8th grade students
Social Studies
Language Arts – reading, writing, spelling, and English
Enrichment classes include: Spanish (K-8), Physical Education, Computer Lab, Music, Art and Library

Extra Curricular

Academic Team, Future Problem Solving, Chess Club, Creative Crafters, Drama, Imagination Builders, Lego Club, 4H Leadership, Youth Chorus, Girls on the Run, Book Fair, Yearbook, Dance Club, Pokemon Club, Student Government, and Boy Scouts. St. Cecilia also provides athletic opportunities in basketball, soccer, and cheerleading.
