

Student Government

We have one boy and one girl serve as school co-presidents. These presidents are elected by the students in grades 4-8. We also have class representatives for grades 4-8. These representatives are elected by the students in their class.

The Student Government works in conjunction with the principal to help organize student events in the school and to perform community service activities. Some activities include: collecting canned goods for St. Vincent de Paul Society, making cards for local nursing homes, collecting items for the local animal shelter, sponsoring school activities, researching recycling programs, supporting area cancer fighting organizations, organizing collections for hurricane relief efforts and coordinating rewards for reading incentives.

This year's Student Council Members!
