Why St. Cecilia?

- St. Cecilia School was awarded the 2018 National Blue Ribbon Award as an Exemplary High Performing School.
- St. Cecilia School is one of KY's highest performing schools as measured by the state and national normed tests.
- Test scores remain consistently above the national and diocesan average.
- Highly qualified faculty and staff who are dedicated to a caring and effective Catholic education.
- We provide a rigorous academic curriculum that integrates faith formation and moral development.
- We use technology to enhance education.
- We instill the value of service to others in each student and provide a variety of extra-curricular activities.
- Parents have numerous involvement opportunities such as Board of Total Education, Sports Committee, SCPTO, Room Parents, Parent Partnership Program, and other volunteer opportunities.
- In 2019 we will open our new School Addition/Parish Life Center that includes a highschool sized gymnasium, state of the art media center, and additional classrooms for our school, pre-school, and daycare center.

Curriculum

- Religion – Mass 2 days per week, Eucharistic Adoration, Daily prayer and religion classes
- Math – Algebra and pre-algebra for qualifying 7th/8th Graders, small math classes in middle school
- Science & STEAM – Science lab for 6-8th grade students with numerous Project Based Learning opportunities
- Social Studies
- Language Arts – reading, writing, spelling, and English
- Enrichment classes include: Spanish (K-8), Physical Education, Computer Lab, Music, Art and Library

Extra Curricular Opportunities
